

**ATTN: POLYCOM CUSTOMERS!**

**HOW ABOUT NEW EQUIPMENT ON A 0% LEASE**

**Plus YOU can write off 57-100% of the cost in year one!**

**NOW THAT'S VISUALLY APPEALING!**

Would you like new Equipment; but would prefer not to spend your cash or enter into a long term lease?

Well then Polycom's Lease partner, Integrity is pleased to announce an exciting promotion designed to allow you to acquire your new equipment with *0% interest on the monthly payments!* Here is how it works:

Take the Equipment costs, including Freight, etc., now divide by 12 and *that is your 0% interest monthly payment!* (12 month term only) For example, \$12,000 divided by 12 months = \$1,000 per month (plus tax). The promotion requires the first and last monthly payments in advance. You make the balance of monthly payments and take title to the equipment for just 10% of the original amount (this is how you get to have all the tax incentives).

Call now to get your priority approval and to take advantage of this *limited program* valid for approved transactions over \$10,000 between now and July 30<sup>th</sup>, 2004.
